<b>Response:</b>			
In your grievance you stated that on Nov. 7 you attempted to kill yourself by hanging. You state that you had your door covered and when Sgt. Harris moved the mattress away you attempted to hang but the rope broke. You then began to retie the rope in another attempt to hang yourself. At that time Sgt. Harris, CO Valentine, and several other officers entered your cell hitting you with the shield knocking you down to the floor. The officers then began to kicking, punching you, and bang your head on the floor. You then put your arms under your body until they pried your hands out and cuffed you. The officers continued their beating of you. You request that the officers be fired, charges be brought against them, \$50,000. for pain and suffering and free cable for a year.			
I have investigated your allegations. As you stated you were trying to hang yourself and that you placed your arms under your body, not cooperating with staff as they were attempting to gain control of you to save your life. Sgt. Herron and involved staff deny punching or kicking you and also deny banging your head on floor. They do admit that they wrestled with you to free your arms from under you to secure your wrists and that no excessive force was used. Lt. Schell concurs these statements. Officer Valentine was not involved in this cell entry nor was near you or on the pod at any time.			
I find staff actions were justified as their intent was for your safety and wellbeing. I find that you filed this grievance frivolously, therefore it is denied.

SUPERINTENDENT'S OFFICENAME Daniels Troy NUMBER LD-8312 DATE 3-2-17GRIEVANCE# 652797I RECEIVED MY ACTION RETURN COPY ON: 2-27-17

I will like to elaborate on Capt. D. Malick initial response in which he fabricated my initial grievance to make it as if I said things such as; He stated that I said C.D. Valentine came in my cell in I said no such thing I stated he was the one on my intercom in my cell stating to me that this is his house back here in the RHU/OTU in I was hurt for every thing I stated Sgt. Hannon, Zandachky, and Greg in others came in my cell. This Capt. D. Malick purposely fabricated my initial report to make it seem as something else was said in not what I wrote. The I never said they pried my hands out. I said I yelled up why they were kicking or punching on me in I blacked out to get away from the pain. Then he further ~~stated~~ lied stated that the officers were trying to gain control of me to save my life. First I was hanging myself why did they come in my cell with a shield if they are trying to prevent me from self harm. A shield is use for force. do you not agree? And if I was not being punch or kick why was my eye swollen? Then the camera that came to my cell after it schell let them beat on me can show that I was on top of the shield how did that happen? Its because I was being beaten and kick all over that cell. Then this Capt. D. Malick states that this is a frivolous grievance. How is that in all these things happen. They ran in my cell. Then he never elaborated on why was my close cut officer and tip off of me in a Por cell then my buttack on pain's was recorded by these guards in I was given the opportunity to stop myself its all on camera

My Beliefs ARE The Same as in

<b>Response:</b>	Frivolous <input type="checkbox"/>		
<p>In your grievance you allege that on 11/23/16 you were abused by staff members when they entered your cell. You state that COI Kabilko slammed you all over the place. You further allege that they tore a ligament in your leg which you state you still did not get help for yet. Further in your grievance you state that officers held you down and this allowed COI Kabilko to punch and knee you. You allege that you were called "a nigger" and that the officers assigned to protect you let this happen. You allege that the officials of this institution are covering these allegations up. You seek relief for these allegations of 1. You want this put on file due to you have fear of retaliation, 2. You want the guards suspended for a month, 3. \$500,000 for pain and suffering, 4. Free cable for a year, 5. A 9" tablet for 150.00 and 50.00 in media links, 6. Video preserved for a later court date and 7. For the officers involved a year of training on rules and regulations. An investigation was conducted into your allegations of abuse and a number was submitted to OSII for tracking and a review of EOR#2016-MAH-00277 was conducted. During the course of this investigation you were interviewed about these allegations and stated to me that that Kabilko punched and kicked you and that COI Harner kicked you in the leg and punched you in the ribs. You don't make any mention of other officers assaulting you. You had to be escorted to the triage room due to you being placed on the ground to be restrained; while you were being triaged you never mentioned to the nurse or the OIC that you had an injury to your leg the only injury you had was an abrasion to the side of your head that had minimal bleeding. Also while in the triage room you do make an allegation that "Kabilko you drew blood you drew blood" during the review of video you are heard stating "Kabilko I'm going to fuck you up." You provided witness to these allegations but your witnesses only heard you state that you were abused but did not witness any abuse as you alleged them to have seen.</p> <p>I find no evidence to support your claims therefore this grievance is denied. As to the relief you seek all is denied except the following: 1. An investigation was conducted and a report was put on file., 2. Video footage was preserved as you requested.</p>

SUPERINTENDENT'S OFFICE

Inmate Number	NAME	HOUSING UNIT	DATE	GRIEVANCE#

I received my initial response from the Grievance Office/Coordinator on 12-19-16 and have the following appeal issues:

Refer to DC-ADM 804, Grievance Appeal Procedures, for complete instructions.

Please provide a BRIEF (no longer than two pages) appeal statement.

First I will like to state the camera that was recording me in triage room will show that I told the nurse that my leg was messed up I could not sit up at first they had to lay me back down because my leg was in extreme pain. This security Lt is lying. And my witnesses did see what had taken place in HD-16 cell at that time and date indicated in my initial grievance. They told me when they were taken down to security for questioning in they told me what they had said, which was what they said. That the guards were slaming me all over my cell and that Kabilka was punching on me I never told this security Lt that % burner kicked me in my legs I told that all the official in my initial grievance held me down in and Mr Kabilka to punch me all in my face, in which my eye showed the result on the pictures that was taken by the nurse that night. But then this whole thing was covered up to look like nothing happen. Look at my misconduct, B-5142815 it states that the only thing happen that day was I covered my windows in was not responding in I was woke up for refusing to obey an order. Then it states on this misconduct that it happen at 4:32 PM which is a lie if you look at the camera time and date indicated in my initial grievance you will see what really took place that date. This investigation was not done properly. My reliefs are as is (1) I want \$1000 for pain or suffering (2) I want the camera's times and date indicated in my initial grievance looked at and ~~corrected~~ resericed for a better date as needed for court (3) I want those guards suspended for a week for failure to reflect on the references of the Disc code conduct and policies

(4) I meant the ~~fact~~ fact that was stated for further as needed for court. (5) I want the case where did my investigation suspended for not doing a good And to further state in Hudson guidelines to determine the constitutional of force used by corrections officers. In Jones v. Huff, corrections officers failed to stop other officers from unnecessarily beating a prisoner. The beating badly bruised and injured the prisoner, including a ~~bruise~~ black eye to the left side of his head. In which this is the result of my allegations. Then these same officials try to cover the whole thing up. To seem as if nothing happen. Again this is totally against policy in my due process was violated under the Eight Amendment claim. In now entitled to the Beliefs in asking for within this report/grievance appeal. I was beaten by this guard Mr. Kabilka in the other officials indicated herein just let him do it without telling him to stop nor trying to stop him. And as my last Belief; I want my witnesses question again to seek truth within this report of Abuse. witnesses AFE As is; Russell Gray-MP-8464, Salley Robert MP-3574, Jamina Taylor= MH-9990 and Jamil Porch GH-8483. See case, Thomas Instalter, 20 F.3d 292, 301-mo (1st Cir. 1994) Finding that excessive force was used when an officer punch a prisoner with his fist while the prisoner was being held down by at least nine other officers. And see case, Jones v. Huff, 784 F. Supp. 574, 535-36 (N.D.N.Y. 1992) (whereas prisoner was already being restrained by a number of guards an officer start punching on the prisoner.

This is my response to your grievance appeal regarding grievance #624380. <i>not mine belongs to another inmate as the grievance coordinator stated in her response.</i>			
Your appeal raises numerous different issues than you presented in initial grievance; you go on to rebut Lt. Clark's investigation and add information that you state you did not tell him (when you should have):			
I find the Lt. Clark did an exceptional investigation into your allegations and the evidence proves your allegations false. Regarding the additional information and embellishments added in your appeal, I will not provide a response to these new accusations that were not raised in your initial grievance.			
Your appeal is denied. I also deny all the relief you are seeking except for what was already permitted by Lt. Clark in his response to your grievance.

<p>This office is in receipt of your appeal and has reviewed all applicable documents. In your grievance, you ultimately alleged that you were abused by staff on 11/23/16. It is noted that you take issue with the Superintendent's response containing a grievance number unrelated to this instant grievance. You seek staff disciplinary action, additional staff training, free cable, and monetary relief.</p> <p>A review of the records reflects that the initial reviewing officer investigated your claims and provided an appropriate response. The investigation was reviewed and approved by OSII and your claims were unsubstantiated. Your appeal and any requested relief is denied.</p> <p>The Superintendent's response contains a mere <u>typographical error regarding the grievance number</u>. The response itself is adequate.</p>

#1) How is the superintendent response adequate if the grievance # she responded to belong to another inmate of (SC) Mahanoy # 624380 Then said I raise numerous different issues than my initial grievance. I would guess so if I was referring to someone else's grievance than my own.

## Declaration

I Ryan E Miller #MCO268 swear that the information scribe herein is the truth. On November 23<sup>rd</sup>, 2016 I was standing at my cell door H-D-02 mental Health unit and witnessed % Briner, % kabilho, % hahn, % willingham, % horner, % swartz, Lt Williams run in I/m Troy Daniels #LD-8312 cell after he was attempting suicide and these c/o's started slamming I/m Troy Daniels #LD-8312 all over the cell and beating him. While I/m Troy Daniels #LD-8312 was handcuffed with his "Both hands Behind his Back" I witnessed % kabilho punch and knee I/m Troy Daniels #LD-8312 in the face. This officer repeatedly punched and kneeed this inmate. I believe this officer was seeking vengeance on I/m Troy Daniels #LD-8312 for writing a "grievance" on him. I/m Troy Daniels #LD-8312 face was swollen and his eye all bloody. While coming out the cell the c/o's dropped I/m Daniels #LD-8312 on the floor while he was handcuffed.

I Ryan E Miller #MCO268 am willing to testify on this concern/matter if needed. I Ryan E Miller #MCO268 know under the penalties of Perjury (18 P.A.C.S. § 4904) under False testimony that I'm subjected to the laws of Perjury.

<p>I have reviewed your grievance dated 11-11-2016, wherein you indicate that Sergeant Greenzweig, Officers Valentine, Mason, Derr, and Flannery came onto the DTU. You claim that Officer Valentine stated to everyone on the DTU that your father raped you and he is at SCI-Albion, and you are here due to raping a nine year old boy. You state that this is a Code of Ethics violation and that PSS Bechtel and myself are aware of what the officers are saying. You are requesting 1.) That the retaliation is put on file 2.) You want this investigated 3.) \$500,000 for pain and suffering but will take \$500.00 in free cable 4.) You want the officials to seek training for three months straight and 5.) You want the officials disciplined by the appointing authority for failure to reflect the references of the DOC Code of Conduct and regulations.</p> <p>Based on my investigation, I find no evidence to support your claim of any staff making any such comments on the DTU concerning your situation. The video was reviewed and I've spoken to the officers you claim are involved and to inmate Gray, all interviewed deny any such claims. You have spoken to me about this previously about these claims and I have not found any evidence of any statements from staff. Staff assigned to the DTU have attended CIT class and are well trained.</p> <p>Based on the above information, I consider this grievance to be frivolous because it lacks any basis of fact, you provide no evidence to support your claims, even your witnesses deny your claims. It is without merit with no further action necessary. The relief and compensation you seek is denied.</p>

<p>I am in receipt of your grievance appeal in which you state your same argument regarding officers walking onto the DTU and stating information about your father raping you and that you raped a 9-year-old boy. You filed this appeal because you don't think Lt. Wall did a thorough investigation. You elaborate on this alleged incident and, basically, want another investigation into this matter. You state Lt. Wall lied and did not interview Inmate Gray, MP-8461, about your complaint. I will remind you that appeals exist to examine procedure if you, the grievant, identify errors in the way your grievance was processed and responded to. It is not to have your complaints heard a second time, re-investigated, or to rebut the response received.</p> <p>I find Lt. Wall's initial response to your grievance to be thorough and explained well. He interviewed the relevant parties. He relayed the findings of his investigation in clear terms to you. He deemed your grievance frivolous because your allegation was meritless.</p> <p>I uphold the Grievance Officer's response and deny your appeal as well as any monetary relief or free cable TV you are seeking.</p>

<p>This office is in receipt of your appeal and has reviewed all applicable documents. In your grievance, you claim that on 11/15/16, various staff came on the DTU and Officer Valentine announced to everyone on the DTU your history of being victimized and your offense(s) that includes victimizing a young boy. You allege that this was retaliation, a violation of your rights, and a violation of the code of ethics for which you seek staff disciplinary action, additional staff training, free cable, and monetary relief.</p> <p>A review of the records reflects that the initial reviewing officer investigated your claims and found them to be without merit. Staff were questioned and deny your allegations. It is noted that you take issue with the investigation; however, these methods are not dictated by the inmate nor the grievance process. There is no apparent rights or code of ethics violations and you provide no evidence to suggest that retaliation exists for any reason. Your appeal and any requested relief is denied.</p>

## INSTRUCTIONS:

1. Refer to the DC-ADM 804 for procedures on the inmate grievance system.
2. State your grievance in Block A in a brief and understandable manner.
3. List in Block B any action you may have taken to resolve this matter. Be sure to include the identity of staff members you have contacted.

A. Provide a brief, clear statement of your grievance. Additional paper may be used, maximum two pages (one DC-804 form and one one-sided 8½" x 11" page). State all relief that you are seeking.

On 11-15-16 from 3:30 to 4:20 2 to 4 you will observe official young come on the (PZ) in the HD-16 water main where I am housed in term off my water. Then a little time later you will observe me young heading out dining hall where he got to my cell on the top tier HD-16 cell he starts at my door looks at me then looks me your fucking beat you (PZ) then it will show on camera him given my tray on my seat culture tray to either 14 or 13 cell in they do not receive one. So from after lunch you will see on camera that I have not eaten anything nor drank any water except for the water that was in my toilet. I guess that it was all had to thank per D.C. (DC-ADM 804) for services under section 1 and 2 there will be no more than 14 hours between the evening meal and breakfast but as you can see on camera 20 hours pass before I was able to eat again. I further state in ADM-804 that the department will not use food as a disciplinary measure. But yet these D.C. regulations was violated by the same D.C. official who hired him for service. All of these goods are retaliating against me to the point I sometimes be thinking of killing myself. Then around 9:00 to 9:20 you will see official young come on the block and finally cut my water back on. I'm sick of this please help me me. My Beliefs ARE 1) I want it put on file that I fear retaliation on retaliatory conduct for writing this report. 2) I want to be paid in suffering. 3) I want this guard disciplined for failure to reflect on the reference of the wage policy and regulation.

B. List actions taken and staff you have contacted, before submitting this grievance.

Response:	I have reviewed your grievance dated 11/18/16, wherein you indicate Officer Young turned off your water and that you did not eat.		
I have spoken to Officer Young and he has stated to me that he turned your water off due to you throwing unknown liquid under your door. It was also stated that you told Officer Young that as soon as he opens the wicket you are going to take it hostage. I have also talked to Sgt. Guzinski and he stated that he did not talk to you that day. Officer Young also turned your water back on during his shift. You received a DC-141 that day for having a Controlled substance of psych medication that did not belong to you.			
Based on the above information, I consider this grievance to be frivolous as it lacks merit and has no basis in fact. It was due to your assaultive behavior that caused your water to be turned off, Mr. Daniels. You fail to mention that in your version of what occurred.

GRIEVANCE#		653671	
I received my initial response from the Grievance Office/Coordinator on 12-16-16.			
I am appealing the following issues:			
Refer to DC-ADM 804, Grievance Appeal Procedures, for complete instructions.			
Please provide a BRIEF (no longer than two pages) appeal statement.			

My water was turned off for throwing unknown liquid under my bunk. Why was I not written up for this violation of the department? Because it was a lie. I was burnt for tray and not given water as of the problems I was having with the 6 to 2 shift officials. Official young wanted to play a part in their negligence. And even did say I was going to hold the bucket hostage in which I never did. He was still suppose to give me my food or not use it as a punishment as indicated in this initial review response. Just because I suppose to have said that in which I did not. Per DC-ADM-610 (which) as it states, The department will not use food as a disciplinary action so to cut off my water and to not feed me violates my process in it was all about on camera. And this Lt. R. Williams trying to justify this official Mr. Young violation of the code of conduct policy. Then this Mr. Williams says I was wrote up for having a controlled substance which medication that was not mine. This has nothing to do with my grievance in that misconduct was drop. Then Mr. Williams finds my grievance closed down so he even said Mr. Young turned off my water and did not give me my dinner that night so what's for about it? My beliefs are as I went to prison for parole and a strange I went the camera's looked at time as indicated in my initial ~~grievance~~ grievance I went this good discipline for failure to follow the references of the Disc conduct and policy.

<p>This office is in receipt of your appeal and has reviewed all applicable documents. In your grievance, you claim that on 11/15/16, Officer Young turned off your water for a period of time and also failed to feed you. You claim that you reported this to the Sergeant. You allege that this was retaliation, a violation of your rights, and a violation of the code of ethics for which you seek monetary relief.</p> <p>A review of the records reflects that you were flooding the tier and staff were forced to shut the water off for a period of time. Further, the records show that you threatened to take your wicket hostage as soon as it was opened. Your actions as well as your verbal threats resulted in staff having to react accordingly. Staff are under no obligation to place their personal safety at jeopardy when an inmate has clearly exhibited or verbalized his/her intentions as was done here. There is no apparent rights or code of ethics violations. You provide no evidence to suggest that retaliation exists for any reason. Your appeal and any requested relief is denied.</p>
